To strengthen our strategy in developing school meals we are looking to appoint someone with a strong background in catering management with experience of working in a school or commercial catering environment.

You will be responsible for developing our in house school meal and hospitality provision across our large successful school. You must have excellent leadership skills as well as a firm understanding of sales development.

This is an important role within our school and the successful candidate would be joining us at an exciting stage in our strategy. We are committed to staff and leadership development.

West Hatch enjoys a position as a thriving, successful, heavily oversubscribed comprehensive Foundation school. Highly acclaimed by OFSTED. We are a vibrant, happy school and are keen to appoint individuals who have a positive outlook with a 'can do' attitude; colleagues who enrich the lives of the learners and staff with whom they work.

The school is conveniently located close to north and east London, and also to Essex with staff travelling from Herts, Chelmsford and inner London. Easy access on Central Line tube. Fringe London Allowance included.

The Governing Body is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share in the commitment.
